Proposed Regulations
Westhampton Board of Health

- 1) The Westhampton Board of Health or its designated agent shall witness for a fee, all septic systems inspections under its authority, and as required by 310 CMR 15:00. The Board or its agent may require a deep observation hole be dug and witnessed by the Board or its agent to determine or verify the estimated seasonal high ground water as it relates to the septic system's leaching components.
- 2) The Westhampton Board of Health or its designated agent shall issue a permit for a fee, for construction of all new drinking water wells under its authority.
