

Westhampton Board of Health

Minutes to Meeting: August 4, 2017

Present: David Blakeslev, Ron Laurin, Tom Martin

Called to order: 4pm

Adjourned: 5:30pm

- 1) Approved minutes with corrections of July 6th meeting.
- 2) RL reports that outlook farm septic plans still in DEP hands
- 3) RL reports Mark Thompson to do T5 review of septic for 5 South Rd
- 4) No change in solid waste violations at 225 NW Rd. RL to follow-up
- 5) DB to follow-up with Selectboard on water interruptions to the center of town and what the BOH would like to see when this occurs
- 6) 335 NW rd has a septic plan approved by the Board for a proposed residence. Board discusses how this plan for a proposed residence cannot in good faith be used to convert the existing garage into a living space without further review by the Board and the use of the Town's residential construction sign-off sheet. BOH regulations should not be used to circumvent the normal procedure for constructing a home. RL to follow-up and convey the Boards assesment.
- 7) Housing complaint at 112 Main Rd. RL conveys that Officer ^{Fisher} ~~Floyd~~ says that this trailer moves around a lot. DB says he is not sure that this is case. RL to follow up. ^{TPM}
- 8) Request for T5 inspections at 315 and 320 NW Rd has been put in writing. David Cotton has verbally agreed to have this work done.
- 9) Request for T5 inspections at KOA campground has a target date for November. RL to give Mr. Kelsey a call to make sure that this is on his radar.
- 10) Board discussed site plan and BOH purvey with Ginny Curtis for 109 NW Rd.
- 11) Board discussed other Zoning By-law review committee work with Ginny Curtis.
