

April 18, 2017 meeting called to order at 7:05 p.m. In attendance, John Shaw, Steve Gagne, John Kelsey, Bob Turner, Cindy Turner, Bill McCloud.

Motion to accept minutes from March 21, 2017 was approved.

John told the group that he sent the definitions to the Board of Health, Conservation Commission, and Highway Superintendent and asked if they could comment on anything that falls within their departments. He said he heard back from Conservation Commission that they are fine with the wet area but are questioning riverine material and riverbank. Going to check with Steve Holt.

Starting in the Definitions at "Junk", John said he sent the definition to the BOH for review. Consider adding "recycling" after disposal. Also questioning "ready for destruction or destroy" is it needed?

Loam = do we need? John to ask Highway Superintendent.

Lodging House (Boarding) = need to define "semi permanent". Westhampton may already have a better defined definition.

Lot through Lot Width = Ask PVPV to check if Westhampton has better definitions.

Major Residential Development = Ask PVPC can we delete?

Mobile Home = need to hear from Ginny Curtis. Now called "modular"?

Open Space = Add the space "on the lot"

Owner = add "or entity"

Parking Space = Is Westhampton's definition better? Improve the wording of Westhampton's definition.

Agenda for next meeting on May 16, 2017 will be to continue definitions starting at "Parties of Interest". Meeting adjourned at 8:28 p.m.
