

REVIEW COMMITTEE

ZONING BYLAW

November 14, 2018

MEETING MINUTES FOR

Members present: Steve Gagne, Brigid O'Riorda, Bill McCloud Art Pichette, Ginny Curtis, and John Shaw.

Meeting called to order at 603pm.

Steve informed the committee that the Bell Tower will have the announcement in the December and January printing of the BT. John will contact someone at the library to see if we can use their room for the meeting on Jan. 15, 2019, from 6:30 to 7:30, for the informational meeting on Adult Recreational marijuana bylaw.

The article to request an extension (until June 30, 2019) of the present moratorium for Adult Recreational Marijuana was approved by the SB, and moved to the PB on 11/13/2018. Planning Board approved the article on 11/14/2018, and set a public hearing for December 4, 2018, starting at 6:30pm, with a Special Town Meeting at 7pm the same date. John asked Art to be sure that a legal notice will be placed to start on Monday 11/19/2018 with another to follow within 14 days. John also asked that notice be placed on town website.

John expressed concern that we should contact the AG office to get an opinion on how to send in the final complete Bylaws for approval. There are questions as to the format since we are really working on the whole package not just a few updates. Brigid begged to take it on so the committee relented to let her do it. If I am spelling your name incorrectly let me know.

Ginny will put together a notice to all boards/committees about areas in the new proposed Table 1, Table of Use, for their timely input on areas that reflect on their boards/committees. Word definitions will follow soon and their input is needed ASAP.

There was a discussion about "cabins" in campgrounds bylaw and will need to be addressed. We have no definition for such.

Next meetings are November 28, 2018, and December 12, 2018, both starting at 6pm.

Meeting adjourned at 7:09.
