6. New business
 - a. From Amy: Just wanted to let you know that I found out about the free Highland Valley (non-income based) meals and they sound pretty good as an option to consider. It's a program they've done for 50 years but the big change is that with covid, the state allows "grab and go". The big question would be if someone on the board could help with the monthly registration process, handing out the meals, etc and whether we'd have an indoor stay and eat option somewhere. Also I know Joanne Brooks and others who enjoy cooking might be sad about not being able to do that anymore (or glad?). Can you add this to the next board meeting's agenda?
 - b. From Amy: COA Revolving Account: Can the COA get authorized for a revolving account to accept donations? This would be good in case we need funding for the newsletter so that people could choose to contribute toward it. There is still nothing in place for next year and believe it or not, still nothing in writing about THIS year, though we've been told it will be funded.
