

Westhampton Property and Energy Assessment Committee

Meeting February 24, 2021

The meeting was called to order at 5:49 pm.

Present : Barbara Cook, Chris Brooks, Art Pichette and Dave Blakesley.

A motion to approve the meeting minutes from 2/17/21 passed 4-0.

Art reported that he called Earthlight about their expected visit this week for the insulation job. It seems that there is a question about the need to pay prevailing wage. Since this work is not using municipal money, the committee feels confident that prevailing wage does not apply, as was mentioned during the 2/17/21 kickoff meeting with Earthlight and Eversource. Since the Earthlight contract is with the Selectboard, it was agreed that Art would talk to Phil about clearing this up in order to proceed.

Chris will follow up his email to Phil concerning the Town Hall lighting fixtures to be used by Earthlight and the 2 sample cut sheets we sent. We need a cut sheet from Earthlight to verify the suitability of the lights Earthlight proposes to use.

Dave will bring the Town Hall floor refinishing spec and info to the Finance Committee on March 4. Chris hasn't talked to Mr. Labreque yet about an additional estimate.

The next meeting will be on Wednesday March 10, 2021 at 5:30 pm.

The meeting was adjourned at 6:25 pm.

Respectfully submitted,
Barbara Cook
