

## **Westhampton Property and Energy Assessment Committee**

**Meeting June 9, 2021**

The meeting was called to order at 5:31 pm.

Present : Barbara Cook, Dave Blakesley and Art Pichette.

A motion to approve the meeting minutes from 6/2/21, with one edit, was passed 3-0.

### **Lighting -**

Art reported that Earthlight was finishing up their work. The pole lights outside the Highway Garage had been installed with sensors vs. timers. They will fix this.

Follow up : Art will continue checking up.

### **Insulation -**

No change - still waiting to hear back on the insulation. May need to apply some pressure.

Follow up : Art will try to get a status from RK Energy.

### **Floor -**

Dave hasn't heard back from Mike Labrecque. We will need a number from him to bring to the Selectboard. We will need to contact Dion at some point.

Followup : Dave to follow up with a call to Mike Labrecque.

### **Doors -**

Art reported that an updated quote from Faulkner, to add a lite in the side handicapped door, was sent directly to the Selectboard, unbeknownst to us. This led to a little confusion at Monday's Selectboard meeting. The Selectboard however approved, and the order will be done.

Followup : Wait to hear when Faulkner gets materials and can do the work.

The next meeting will be on Wednesday June 16, 2021 at 5:30 pm.

The meeting was adjourned at 6:12 pm.

Respectfully submitted,  
Barbara Cook
