

ZONING BYLAW REVIEW COMMITTEE

MEETING MINUTES OCTOBER 3, 2018

Members Present: John Kelsey, Bill McCloud, Ginny Curtis, Brigid ORIordan, John Shaw
Meeting called to order at 6:05pm.

John S. notified the committee of the resignation of Bob Turner from the Planning Board, and Cindy Turner as minute taker for the committee.

The committee asked John S. to notify the SB that if they wish to fill the position, it should only be with another member of the Planning Board. The committee feels that it would not be helpful to fill the position with anyone else.

John S. was asked to notify the SB that they do not wish to do an informational meeting on Oct. 15th due to the need for more time to prepare. The committee will set another date for the meeting. Ginny will work on a press release for the meeting with input from Steve Gagne.

The committee worked on Table 1, Principal Use Regulations. They stopped at Roof Mounted Photovoltaic System. They skipped (look at again with more information) all three kennel uses, (Ginny to gather updated uses), Educational Institution, (may be a duplication), RMD, & Marijuana Establishment (until bylaw is voted on). The committee eliminated Automotive fuel station/convenience store, as it is already covered. The committee added SP/PB/SPR, Special Permit, Planning Board, Site Plan Review under notations. John S. will try and update Table 1 with changes.

Next meeting is Wed. October 24th at 6pm, main agenda is Recreational Marijuana.

Meeting adjourned at 7:07.
