

Community Forum – Superintendent Search
Thursday, November 30, 2017 6:00-7:30 p.m.
HRHS Library

The Chair Persons of the 5 Hampshire Regional School District school committees will convene and facilitate a forum to gather feedback from the community as to what we should be looking for in our search for a new superintendent.

The forum will also clarify the process and timeline being developed to search for and choose the next Hampshire Superintendent of Schools

There will be opportunity to ask questions related to the search.

You may contact your school committee chair with questions or ideas.
