

Zoning Board of Appeals

Westhampton Town Hall

December 19, 2020

Present: Bill Tracy, Peter Ignatovich and Laurie Sanders

Public: Monica and John Boyle; Ron and Linda Rancourt

Bill Tracy opened the public hearing for the application for a special permit and variance for a two-family house by John and Monica Boyle of 156 North Road at 7:10 pm. The legal ad notices and seven abutter notifications were properly posted.

Tracy explained that because of the snowstorm, two of the ZBA members were not present. Due to the requirements for variances and special permit decisions, he suggested the hearing being immediately continued, with no discussion, so that other members could take part.

A motion was made to **continue the hearing via Zoom on December 29th at 7 pm**. Peter Ignatovich made the motion, Laurie Sanders seconded. All in favor.

The meeting was adjourned at 7:30 pm.
